

RC&D Fact Sheet Chowan County

The Albemarle Resource Conservation and Development (RC&D) Council, one of ten councils in North Carolina, helps community organizations and local governments that have the desire, but not the means or the expertise, to undertake projects that wisely conserve natural resources and create opportunities for positive economic and community development. www.albemarlercd.org

- Projects focus on:
- Land Conservation
 - Land Management
 - Community Development
 - Water Management

In North Carolina, every \$1.00 invested by RC&D Councils in local resource conservation or development projects has returned \$10.85 to the local community. (POINTS data base, 2009 data).
